Sir:

In the Office Action of February 8, 2005, claims were rejected over JP 63-083167. Applicants have only a brief abstract of this foreign language reference. On page 5 of the Office Action, the Examiner stated that an English translation had been requested. Applicants respectfully request that they receive a copy of the translation at an early date, since the comments made in the Office Action refer to Japanese text.

Respectfully submitted,
